The West Side hotels listed below are all situated in the most desirable residential section of New York city, between beautiful Central Park and the magnificent Hudson River. All means of transit are of the very best, comprising the subway, L, surface cars and the Fifth avenue buses, which make all parts of the city readily accessible. These hotels are particularly attractive to visitors to New York or those seeking permanent residency.

There are a few apartments that we lease every year to those who wish to make the Hotel Belleclaire their permanent home during the fall and winter.

The demand this year is unusual therefore we advise our friends to act 🕍

quickly if they wish to negotiate leases. Robert D. Blackman, Proprietor.
